

Jogli

Jogli (MT *Yogli*; LXX *Εγλι*) is the father of Bukki (MT *Buqqi*; LXX *ΒαχκιϞ*), the leader of the sons of Dan, who was chosen to take part in the distribution of the land (Num 34:22). The name is most probably to be interpreted as Qal (!) imperfect (cf. the Greek form) with no theophoric element: “He [God] may reveal.”
